

# EVM PLANNING AND RESOURCING

## A journey towards continuous improvements

### DIFFERENCES between the continuous IP and previous IP

1. **Shifts away** from the use of multiple plans towards a single forward-looking multi-year strategy.
2. Aligns with **national immunization** and health sector planning and financing.
3. Includes detailed timelines, monitoring & evaluation of the **plans** implementation.

### cIP overview

### Process of the continuous IP:
